

     Capitol Complex parking available for events as noted \*

     Capitol Complex parking not available for events \*

*\* Special parking arrangements can be made for after hours and weekend events through the event application process. Event attendees please check with your event coordinator.*

**Instructions for public event parking available through Plant Management:**

1. Public parking is available from Plant Management in the green areas as noted. Look for areas labeled "Public Disabled" and "Metered" on this map.
2. There is no charge for "Metered" parking shown on this map after 5:00 p.m. on weekdays, and all day on weekends. Meters must be "fed" on weekdays before 5:00 p.m. Meters take quarters only. Maximum times available will vary depending on meter location, and will be posted on the meter. See Item 5 below for special parking arrangements.
3. Public parking in the Centennial Parking Ramp is available on the Orange Level only. The entrance to the Orange Level is on Rev. Dr. MLK Jr. Blvd.
4. Metered street parking (not shown on this map) is available. Street parking regulations are enforced and monitored by the City of St. Paul, not by the State nor by Plant Management on the State's behalf. Please check parking information posted on the meters for enforcement times.
5. There is no public parking authorized for event parking in the Red lots. Special parking arrangements can be made for after hours and weekend events through the event application process. Event attendees please check with your event coordinator.
6. Public parking is not available on Aurora Ave. during legislative session.
